Expert Assessment: you must bring a model for your assessment		

dermalogica expert

The Dermalogica Expert program is designed with you; the professional skin therapist, in mind. This three-tier program rewards your commitment to professional training and ensures that you have the latest product, ingredients and skin care knowledge. This program will also improve your self-esteem and confidence in the treatment room.

As you complete more tiers, you'll enjoy climbing higher up the ladder of success, achieving the ultimate mark of professionalism and all the benefits that come with it!

how it works

Select the workshops you need to achieve your desired professional status. Once you have completed the required workshops for each tier, you will receive a certificate and pin highlighting your achievement: **Certified**, **Specialist** or **Expert status!**

Once you become an expert you will receive our expert perks.

program perks
